Event Highlights
This year we have two very special occasions:
- Celebrate the 140th anniversary of the zoo by joining us as well as the opening of South America with the Pantanal, the Pampas and Patagonia: See you there!
- June 19/20: Anniversary weekend
- Festival of Continents: our 140th anniversary
- July 1–July 7: Summer adventure time
- July 18–August 5: Summer adventure (Tuesday-Friday)
- July 24/25: Discover these!
- Sep 8: KSZ - Kids charity week for the University (Children’s Hospital)
- Oct 31: Spooky Halloween

Off you go!
Here you can discover 450 animal species in their near-natural habitats in exciting theme worlds. Visit our information centre in Pongoland (a world-unique ape enclosure), explore our extensive tropical world Gondwanaland and encounter resident species of Africa, Asia and South America.
Enjoy your discovery tour!

Our Vision as a „Zoo of the Future“
On our way to becoming a “Zoo of the future”, animal welfare, education and species conservation are of paramount importance to us. With our unique concept we are emerging one of the world’s most modern zoos. We are committed to informing visitors about species conservation. You will find more information on this on your tour of Zoo Leipzig.
